Made for your business.

Sunday Eve sells to boutiques, wholesale buyers, and retail shops. We also offer private-label manufacturing for businesses selling under their own brand.

Private-label manufacturing

We can manufacture garments and sew in your supplied brand labels. Share your styles, quantities, branding requirements, and preferred delivery date. Label details, minimums, pricing, and timing will be confirmed in your quote.

Start with a sample

Samples are available for purchase. Pricing varies by style. Sample costs and shipping will be confirmed before you place your order. Review fabric, fit, and construction before a larger order. Sample production is approximately 1-3 business days; timing is confirmed when you inquire.

Wholesale quotes

Request several styles with a separate quantity for each through our website. Available sizes and colors, minimum order quantities, pricing, payment terms, and production schedules are confirmed before you place an order.

Made-to-order terms

Custom and made-to-order pieces are final sale. We offer replacements for manufacturing defects or mistakes with your order. Review the current website terms and your individual quote before ordering.
